## President's Letter

By DeAnn Shaw

Hope everyone is having a good month. Mine has been busy, but that isn't new. I even got some canning in with everything else going on. Wish I could have gone to Flock and Fiber, heard it was wonderful. September is a busy time for a lot of us.

So much for the trivia, let's get down to business. How many of you plan to stay/come for the Fiber In (like a Spin in)? Just bring whatever project you're working on and come sit at the shop or out in the chairs /couches from 1 to 3 and visit, enjoy while promoting the shop. Who knows we may get some new members and/or sales, we'll get exposure plus something done on your project. Please let me know whose coming call 290-2076.

There is some very important business. We need members to sign up for time at the shop, either from 10 to 1 or 1 to 4. This is important as we do not want to lose our shop. We also need a phone committee to call those who don't have e-mail.

The project for the year is a shawl and the Christmas exchange is either a card or a bookmark fiber technique of your choice. Isabel has a nice collection of cards. Maybe she will bring them to the meeting for show. Thanks, Isabel.

Do you have questions about something you are working on or need some information? How about an article in the newsletter answering questions? I will bring a basket or box to put them in and the answer will be in the next newsletter. Speaking of the newsletter, we need articles, pictures, adventures, anything for the newsletter. Thanks from me your fiberatic pres. DeAnn

**From your Guild e-mail Nag:** At least that is how it is feeling when I have to keep putting out e-mails asking for someone to work the shop. I like DeAnn's idea of a phone list to help contact those without e-mail. If you can help out I would appreciate it greatly. Thanks, Barbara Simpson

## NEXT MEETING SATURDAY, Oct 10th, 9:00am

### PROGRAM:

The October meeting will include a "fiber-in" in honor of National Fiber Week. This means that each person will be working on their own project and possibly demonstrating in the mall at our entrance. We will be looking at and judging the pictures of sheep "activities" that children will have colored during the week and entered in the contest.

At our September meeting, it was decided that our year's project would be a shawl. A community project will be "Hats for Heroes" to be sent to Afghanistan. Our Christmas exchange will be the choice of a gift-wrapped bookmark or card.
