## President's Letter

By DeAnn Shaw

I hope everyone had a good summer. Let's have some fun this year and participate, participate, participate. I would love to see some stories in the newsletter about places you go this year, things you do, and fun activities you have learned about. Take pictures and send them along with your story.

Please bring ideas for programs for this year. Barbara Martin could use your help. (Contact Barb at 269-1506 or at [genz@charter.net](mailto:genz@charter.net).) What do we want to do for the Christmas Exchange? For our yearly project? What workshop(s)?

I would like to start a "Fiber-in" which is like a spin-in but doing any fiber arts work one day a month at the mall, say Saturday afternoon after the meeting. This would be a great winter activity and could lead to more classes.

See you at the meeting,  
DeAnn

**REMINDER:** If you have not renewed your membership, please do it soon so you can be in the membership Directory.

Kim Palmer took the AVL loom home from the back room and has been putting it together this summer. She has ordered a few parts from AVL.

Looking good, Kim!
